

**AUDIT THE FED
S.604/HR.1207
Mass Action Month
August 15th- September 15th**

**National Grassroots Action That Will Make
the Fed and Bernanke Stutter in Fear!**

We are winning, but we have not won, yet! A major announcement from the Campaign for Liberty will go out on August 15th when our numbers to Audit the Fed will grow drastically. It will all accumulate on September 15th with a major national action and the release of Ron Paul's new book, "END THE FED."

**WE NEED YOUR HELP NOW TO COLLECT 1 or 100 or 1000
PETITIONS FOR S604 and HR1207 TO MAKE THIS WORK!**

Bernanke is praying that you are not going to do anything, that you are just going to sit there and let Obama give the Federal Reserve full regulatory control over the entire financial industry and print trillions of more dollars to pay for socialized health care. Well he doesn't seem to know what you or the Campaign for Liberty is capable of, does he?

Feel our wrath, fear our liberty!
